Dear parents, carers, students and community members,

Welcome back! It looks like we are about to embark on yet another exciting year at Barrack Heights Public School. Already our staff and students have participated in specialised training in Child Protection and I look forward to seeing many of our parents and community members tonight as we spread the very important message about keeping our kids safe. I would like to welcome all our new staff, students and parents to our fabulous school and hope your first week with us was happy and inspiring.

SAFE4KIDS

Last week, our school hosted Mrs Holly-ann Martin, a facilitator for a child protection program called “Safe4Kids”. Holly-ann spoke on Tuesday to over 120 teachers and school staff from four local schools about her no nonsense, extremely important approach to getting kids to protect themselves and feel safe in any situation. I would like to invite all parents, carers and community members to attend tonight’s information session at our school. Further information is provided below…..

How do you teach children to be wary of potential harm, without teaching them to fear, wrap them in cotton wool, or give them so much information that their innocence and wonder is in jeopardy?

Protective Behaviours Education is a proactive, holistic, whole community approach to teaching life skills to children. It teaches the children themselves language and principles of Protective Behaviour, which helps them, identify unsafe situations, and arms them with the tools to either seek appropriate assistance or to protect themselves.

Date: 2/2/2015
Time: 7:00 till 8:30
Venue: Barrack Heights Public School

Two Themes of Protective Behaviours:
“We all have the right to feel safe all of the time.”
“We can talk with someone about anything.”
Protective Behaviours Concepts:

Theme reinforcement  OK to say “No”
Yes/Safe/Comfortable feelings and  Three Safety Questions
No/Unsafe/Uncomfortable feelings  Secrets
Safety Continuum  Secret Enablers
Risking on Purpose  Cyber Safety
Early Warning Signs  Network review
Networks  Protective interrupting
Persistence  One-step removed
Public and Private  Problem-solving

Resources will be available for purchase on the day.

ANNUAL PERMISSION NOTE
Attached to this newsletter is the Barrack Heights Public School annual permission note! Once signed, it will cover your child in a number of different areas including permission to publish, permission to leave the school on escorted, (local) walking excursions and sporting activities, permission to watch curriculum linked PG rated DVD’s or internet clips etc. We are doing this to save on paper, and to reduce the amount of times parents are requested for permission to engage in alternate learning activities for their children. We will continue to ALWAYS inform you of intended activities, so that you are aware of any changes to normal school routine. Please fill in all parts of the permission letter, and return it to your child’s class teacher.

SCHOOL UNIFORM
Our students are looking particularly well-dressed in their Barrack Heights school uniforms. A reminder for girls, bike shorts or leggings are no longer acceptable school uniform. Girls can choose to wear royal blue culottes, skort, netball skirt or shorts with their school shirt. I am pleased to see that already, most of our girls have made this transition and look fantastic! We have just received a new order of shirts and hats, which are on sale with other uniform items at the canteen. If you would like assistance with uniform items, please let us know. We have many pre-loved garments in the office, and are happy to see all of our students appropriately attired.

SCHOOL ENTRY/EXIT
The official entry and exit for parents, students and community to Barrack Heights Public School is through the pedestrian gate near the big Barrack Heights School sign. There will be no cars parked in this space during the day and we ask that you do not use it as a pick up, drop off or turning circle. Parents who are waiting to collect their children are welcome to congregate on the steps outside the hall.

SICK/LEAVE FROM SCHOOL – School Phone number 4296 4222
It is a parent or carer’s responsibility to contact the school if their child is ill or unable to attend school for any length of time. Our Home School Liaison Officer, Sue Curtain, consistently checks the schools absence data. This includes late arrival and early departure to or from school. If your child is away from school, please write a note to explain this absence, or ring the school to leave a message as soon as they return.

SWIMMING CARNIVAL
This will be held this Thursday 5th February for all students 8 years old and above. Following along from our highly successful School Swimming Scheme participation during the last few weeks of 2014, once again both competitive and novelty events will be held so that all children can “have a go” at their comfort level. Please read, sign and return the permission note with $2 by Wednesday morning. I encourage all parents, caregivers and additional family members to come along and enjoy the fun!

New Kinder Children and Families
Congratulations to all Kindergarten students who attended their first day at school. Well done to all parents, carers and family members who came to share the first day of their exciting journey of formal learning. Confidence and resilience was shown by all family members and their Kindergarten teachers!

Mrs Denise Broomham
P&C

The P&C meet on the third Tuesday of the month at 6pm in the staff room. It is a great opportunity to hear from the principal, school executive, parents and care givers about what is happening in and around the school. We also organise fundraising events throughout the year to assist in providing facilities & equipment to the school and we seek to promote the welfare of students at the school. Keep an eye out in the newsletters for upcoming meetings and other dates. If you have any issues, questions or concerns and can’t attend our meetings, you can email us on bhpspandc@gmail.com or catch one of the P&C executives around the school.
Our first meeting of the year is on Tuesday, February 17, and we have our AGM to elect this year’s P&C executive committee on Tuesday, March 17. Newcomers are always welcome, and we’d love to see you there.
