Dear parents, carers, students and community members,

**Positive Action Slips and the You Can Do It Program**

I have been inundated this past week with students bringing me well earned Positive Action Slips! This is a fantastic change and recognition of the efforts that our students make to do their best and demonstrate our You Can Do It - 5 Keys to School Success. During 2014, we began a transition process to incorporate our merit award and Action Slip system into our You Can Do It philosophy. We now have ‘levels’ that all students can achieve throughout the year by consistently demonstrating Confidence, Organisation, Resilience, Persistence and Getting Along skills. These levels are Bronze, Silver and Gold with Year 6 students able to receive a school medallion if they have shown consistency each year to achieve the Gold level award. Bronze awards will be handed out in a special You Can Do It Assembly in Term 2, Silver in Term 3 and Gold in Term 4. School medallions will become a feature of our End of Year Award ceremony. Please discuss this at home with your child and encourage them to strive to do their best! I am certainly proud of those students who have already visited me during 2015. Well done!

**International Women’s Day – Stage 3**

This Friday, all of our Stage 3 girls will attend a special morning tea to Celebrate International Women’s Day. At this morning tea, we will be joined by guest speaker, Michelle Brooke – Deputy Principal at Warilla High School. International Women’s Day is celebrated on 8th March each year. It is a day to celebrate the contribution women have made across the world to their communities and the progress that has been made for equality. It is a time to raise awareness about the unjust treatment that many women and children are still facing around the world and in Australia. International Women's Day was first declared in 1910 with the first event held in 1911. The United Nation’s International Women’s Day 2013 theme is Inspiring Change. This year UN Women Australia has chosen a focus of Ending Poverty for Women and Girls. Recognition of International Women’s Day supports the promotion of respectful relationships in schools. We look forward to this special event!

**Mid South District PSSA Representatives**

Congratulations to the following children who have qualified to represent at District level at the forthcoming Southern Illawarra Zone trials:
- Tayn T (AFL & Rugby League)
- Matty W (AFL & Rugby League)
- Ruby M (Girls Soccer)
- Sebastien C (Boys Soccer)
- Jack S (Boys Soccer)
- Noah P (Rugby League)
- Jake D (Rugby League)
- Denzel W (Rugby League)

Good luck! Mr Ellsmore
Park & Play at Barrack Heights PS

Our school has an exciting new activity for all students brought to you by Family Services Illawarra. **FREE** weekly play sessions are being held on Tuesday afternoons between 3.00 – 4.30pm in our school playground. The play sessions are safe and supported by friendly, trained staff. Play is fun, but most importantly, it helps children learn about the world and each other. The Park & Play sessions will also provide lots of ideas for fun play activities that students can recreate at home. If your child is interested in attending our new Park & Play program, please sign and return the permission note attached to this newsletter to the front office. Places are limited (to 20 students per Term), so it will go on a first come, first in basis.

The **TELL THEM FROM ME** Student Survey

I am delighted that this term, our school, like many others in the state, will participate in a Department of Education and Communities initiative: the *Tell Them From Me* student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help improve how they do things at school.

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 9 March and 2 April. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to school by **Friday 27 February**. Copies of the form and FAQs are available from the website above.

Positive Behaviour – **Tips for Parents**

Try these tips to encourage the behaviour you want in your child.

1. **Children do as you do.** Your child watches you to get clues on how to behave in the world. You’re his/her role model, so use your own behaviour to guide theirs. What you do is often much more important than what you say. If you want your child to say ‘please’, say it yourself. If you don’t want your child to raise their voice, speak quietly and gently yourself.

**P&C News**
The P&C are holding an Easter Raffle, and funds raised will assist in providing the School Stream App. The App is a valuable resource to make communication between the school and the community so much easier and in real time, wherever you are, whenever you need it.
Tickets are $1 each, books are being distributed to all students this week, and additional books are available for collection from the office. Prizes will be drawn at the school on Thursday 2nd April 2015. We ask that all books (whether sold or not) and money be returned to the school by Wednesday 1st April 2015 by placing in the secure collection box inside the Administration block. Please write your family or child’s name and class on the ticket book cover in the space provided, as there is a $30 Smiggle voucher prize for the child who raises the most money.
We are again asking for donations of Easter eggs to contribute to the prize hampers. These can be left with volunteers from the P&C who will be outside the canteen over the next few weeks.
Our next P&C meeting will be held on Tuesday 17th March 2015 at 6pm in the staffroom, commencing with our AGM to elect the P&C Executive Committee for the 2015 year, followed by our usual monthly meeting. Our meetings are a great way to be involved and informed about our children’s education and welfare, and to hear more about what is happening in & around our school. We would love to see you there!

**Book Fair Week 6**
We are very excited to be getting a delivery of new books soon to set up our Book Fair. All students will have a chance to visit the Fair on Monday, 2nd March and we invite EVERYONE to come on down for a browse and a cuppa on Monday, 2nd and Tuesday, 3rd March from 3pm. Books start from $4, and all purchases help to buy fantastic resources for the library. Hope to see you there!

**School Stream App**
Our school P&C has kindly donated and set up a new App available on your Smart Phones called School Stream. The App will allow you to access the school newsletter from your phone/device along with class notes, notifications, canteen price lists, our schools’ Information Booklet and much more. The App will make communication between the school and families so much easier and we will also save on our printing costs. Detailed instructions on how to download the App are included in the newsletter.

**A reminder to parents to notify the school about your child’s health**
We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also
important that you let us know if your child’s health care needs change or if a new health condition develops.
Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing.
Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.
We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

Our school now has a free app to deliver school information, instantly and directly to your smartphone.

How to get the School Stream app on your mobile device

1. From your mobile device go to the **App Store (iPhone/iPad)** or **Play Store (Android)**, search for **School Stream** and download the app to your phone.
2. Make sure you agree to **push notifications**
3. Once School Stream has finished installing, open the app. **Type your school name into the search** then select your school. For more detailed instructions go to [schoolstream.com.au/download](http://schoolstream.com.au/download)
4. Are your children attending different schools? Tap the school selector, ♻️ select add a school, type the school name into the search then add. Jump between your children’s schools by touching the school name/logo in the top blue bar, or switch schools from the slide-in menu.
   *Any additional schools will need to be licensed users of School Stream to appear in the app.*

Choose what notifications you receive

1. Open the School Stream app on your mobile device
2. From the slide-in menu, go to Settings
3. Under Edit/Alerts select My Schools and select your School to open the Notifications page
4. Toggle notifications on or off individually (e.g. Alerts, Events, Newsletters, etc.)
5. When you have finished, use the Back button to return to the Settings page, then select Done to return to your School

Return at any time to change the notifications you receive.
